Dear Ms.Ying C.Wang

I am very glad to have received your letter dated Jan.16,2008. Many thanks for your persistent help in pushing the Sister City Relationship between Jiaxing and Rockville.

I officially inform you that Jiaxing Municipal Government is still very much interested in establishing the sister-city relationship with Rockville,aiming to improve mutual understanding and develop economic cooperation and culutual exchanges in the future.We sincerely welcome any delegation from Rockville to visit Jiaxing and have detailed discussion on mutual cooperation in economy,science and technology,and education at their convenience.

Sally wrote to tell me that she suggests that both cities can start the parell between Jiaxing Science City and Rockville Incubator.I think it's a good idea.We can take it as the first step to enhance the foundation for the sister-city relationship.

We appreciate very much for what you have done for Jiaxing and understand the differences in systems and cultures.We strongly support you to set up the sister-city relationship with Rockville

Many thanks again

Wish you and your family A Happy Chinese New Year

Yours sincerely
